Novice Day Membership/Registration Rules & Restrictions

- A Novice Day Membership/Registration is a temporary membership for athletes in their 19th year or over which effectively registers the horse and/or athlete combination for a novice class at a specific event. The cost of the day membership depends on whether the athlete/horse are members of Eventing Ireland, or not. This Day Membership is designated to a specific horse/athlete combination and is not transferable. In the event of a forced withdrawal before the event closing date, the Day Membership and Entry fee will be refunded in full.
- We recommend that all athletes possess their own Personal Accident Insurance (see links on EI website)
- Horse/Athlete combinations must have completed 3 clear xc rounds (jumping) and no more than 16 sj jumping penalties per event in the past 12 months at EI100 level or higher or
- Have completed at least 5 EI100 competitions or higher on any horse in the last 2 years – evidence must be supplied to Head Office for approval.
- Horses must be 5 years of age or older
- No points will be awarded for Day Memberships or Registrations. Points are only awarded to fully paid up members/horses.
- **Entry fees are not included in the price of Day Membership/Registrations. Please refer to Rule 2.5 and 2.6 in EI Rule Book.**

I understand that neither the Organising Committee of these Events, Eventing Ireland nor the Land Owners, accept any liability for any accident, damage, injury to horses, owners, athletes, grooms, ground spectators, or any other person or property whatsoever. By entering this event I agree to be bound by Eventing Ireland Rules and Restrictions of the Society and allow Eventing Ireland to store my information as per the Privacy Policy document on the Eventing Ireland website.
