Name: DOB:	
Name of Parent/Guardian if athlete under 18:	
Address:	EI Membership No:
	Telephone:
	Mobile:
	Email:

Restricted Day Membership/Registration Rules & Restrictions
A Day Membership/Registration is a temporary membership for athletes in their 12th year or above which effectively registers the horse/athlete combination for either EI90 or EI100 class at a specific event. The cost of the day membership depends on whether the athlete is a member of Eventing Ireland, or not. Each day membership is designated to a specific horse/athlete combination and is not transferable. In the event of a forced withdrawal before the event closing date, the Day Membership and Entry fee will be refunded in full. We recommend that all athletes possess their own Personal Accident Insurance (see links on EI website).
Entry fees are not included in the price of Day Membership.

I understand that neither the Organising Committee of these Events, Eventing Ireland nor the Land Owners, accept any liability for any accident, damage, injury to horses, owners, athletes, grooms, ground spectators, or any other person or property whatsoever. By entering this event I agree to be bound by Eventing Ireland Rules and Restrictions of the Society and allow Eventing Ireland to store my information as per the Privacy Policy document on the Eventing Ireland website. Please see notes below regarding underage athletes
