

Welcome and thank you for attending

WE would like to remember our friends who are no longer with us Jackie Doherty and Lis Sanford

Unfortunately we had a late start to the season as certain issues needed clarification.

We had one event in our region that was Clonmahon which ran on the 27<sup>th</sup> July. It was very successful and educational regarding the bouncing ball.! Unfortunately Tattersalls was unable to run last year however the good news is that Tattersalls are back on the calendar this year.

We ran training prior to Ballindenisk International this was well attended -with Bernie Foley undertaking dressage and Nicola Ennis undertaking jumping. We had planned to provide further training prior to the remaining internationals – due to unforeseen circumstances this did not occur.

Well done to all our riders who enjoyed good sport both at home and abroad

A number of issues arose during the year – we need to identify an individual who would undertake the role of Volunteer organiser – this is not as onerous as it sounds.

A proposal has been put forward to have a Leinster League this is an issue which requires the input from the members – this idea has been suggested by the event organisers in the Leinster region

A further proposal to amalgamate the North and South Leinster Regions- one meeting has taken place. No decisions have been made . the committee discussed this and require further information regarding the proposal .

Lastly I would like to thank our land owners who so very kindly facilitate our sport, if it was not for them we wouldn't have a port ;

- Our Volunteers who work so diligently behind the scenes and
- Our committee members who do the hard work.

So a happy 2026 season to you all.

Gervaise Maher  
North Leinster Chairman
