The Organisers would like to express their sincere thanks to all officials, stewards and many volunteers who have given their time so generously and enthusiastically to ensure the success of this event

All Athletes **MUST** complete the **Medical Contact Form**. In case of an accident, this allows an athlete's contact on site to be contacted immediately and without unnecessary delays. Athletes must attend the Secretary's office upon arrival on site to hand in or complete the form. Athlete contact form can be downloaded from the Info Portal on the Eventing Ireland website. Forms will be destroyed at the end of each event.

GENERAL CONDITIONS AND RULES

RULES

These Horse Trials are held under the rules of Eventing Ireland, which can be downloaded from the website. Please refer to the current Rule Book published on the EI website.

DISCLAIMER OF LIABILITY

Save for death or personal injury caused by the negligence of the organisers or anyone for whom they are in law responsible, neither the organisers of any Event to which these rules apply, nor Eventing Ireland, nor any agent, employee or representative of these bodies accepts any liability for any accident, loss, damage, injury or illness to horses, owners, athletes, spectators, land, cars, their contents and accessories or any other person or property whatsoever, whether caused by their negligence, breach of contract or in any other way whatsoever.

HEALTH & SAFETY (Rule 3.5)

The Organiser of this Horse Trial has taken reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring and must obey the instructions of the organiser and all the officials and stewards. Spectators are responsible for their own safety and must keep to designated viewing areas.

RESERVATION OF RIGHTS (Rule 3.7)

The Organisers have the right to:

- Cancel any class or event
- Refuse any entry without giving a reason
- Divide any class
- Transfer competitors between sections of a class
- Amalgamate a class
- Alter the advertised times

RIDER FALL (Rule 18.2)

Riders failing to report to a Medical Officer and/or Paramedic, having had a fall of any description anywhere on the site of the Event, will be fined €50.

NOTE: If any rider has a subsequent horse(s) to ride, he/she must get clearance from the event medical officer before proceeding.

UNAUTHORISED ASSISTANCE (Rule 23.11)

Any intervention by a third party, whether solicited or not, with the object of facilitating the task of the rider or helping his/her horse, is forbidden, under penalty of elimination at the discretion of the Society Steward. In particular it is forbidden for a fence judge or official to call back or assist a competitor by directions, to rectify an error of course.

EXCEPTION: After a fall, or if a competitor dismounts, he/she may be assisted to catch his/her horse, or to adjust his/her saddlery, or be handed any part of equipment while dismounted. Whip, headgear or spectacles may be handed without the rider having to dismount.

AFTER ELIMINATION OR RETIRING (Rule 10.4)

An athlete eliminated or retiring for any reason must leave the arena/course at once and has no right to continue. An athlete must walk his/her horse off the course, by the shortest safest route, either mounted or dismounted. If an athlete has fallen, he/she must not remount.

BIKES AND SCOOTERS (Rule 1.14)

The use of Bikes and Scooters, either motorised, electric or push, at national events is at the discretion of the organiser, who has the right to exclude the use of Bikes and Scooters on site at their event, or to allow them to be used in certain areas only.

No Bikes or Scooters will be allowed on the cross country course once the cross country phase has started

All Bikes and Scooters must be ridden in a safe manner and should not be ridden at more than 10mph/16kmph anywhere on the Event site.

Disciplinary sanctions (rule 20.6) may be taken if members, or their associates, fail to abide by the above rules, or are found to be riding bikes and scooters in an unsafe manner, which may endanger pedestrians and horses.

PUBLICATION OF RESULTS (Rule 19.6)

Individual scores should be displayed on the public scoreboard (at the discretion of the organiser) and online as soon as possible after an athlete has completed any phase of the competition. The final results are those posted on the public scoreboard (at the discretion of the organiser) and online at the end of the event.

OBJECTIONS (Rule 20)

All queries relating to the event must be made through the Event Secretary's Office via WhatsApp, for investigation by the Eventing Ireland Steward. Only the Eventing Ireland Steward may approach the judge, timekeeper, scorer or official concerned in respect of any query. Any objection must be made not later than half an hour after the occurrence which gave rise to the objection or, where the score is concerned, after the publication of the athlete's scores, and not later than one hour before the start of the class in the case of an objection to the course, or to the qualifications of any athlete.

There will be no queries after 8pm on the day of the event.

The Eventing Ireland Steward, whose decision is final, will consider any objections.

All dogs must be kept on leads at all times. Owners will be subject to an on-the-spot-fine of €50 if their dog is reported to be running loose. (Rule 1.13)

A reminder to all competitors in Training classes that these classes are NOT schooling classes. Training classes are run under Eventing Ireland rules and thus three refusals, a fall or jumping the wrong fence constitutes elimination and competitors may not continue.

Please see Rule 10.4 After Elimination or Retiring, above.

Please note that all multiple riders must ensure that they have enough help with them at events to prevent delaying the Cross-Country phase.

The Cross-Country phase will run in strict numerical order, as per Rule 3.22, with the exception of multiple riders who may run out of order. Please listen to the commentary for updates.

FEED YOUR
DESIRE TO WIN

DEFINE & SHINE

// I've been incorporating DEFINE & SHINE as a high-calorie top-up alongside my horses' foundational RED MILLS diet and I've been extremely impressed with the results. It played a key role in helping my horses maintain condition and muscle mass during the most demanding periods of the season, even as workloads intensified. Ahead of travel and during competition we use the Foran Equine PRE-FUEL and RE-FUEL Gels and found them game changing when trying to support performance and recovery. These products are now an integral part of my feed room and overall nutritional toolkit. //
